

Lab 5

Normal Screen

The screenshot shows a mobile application interface with a purple header bar labeled 'lab5'. The status bar at the top displays the time 1:19, a gear icon, and signal/battery indicators. The main content area is white and titled 'Quiz Application'. It contains two questions:

1. What is a correct syntax to output "Hello World" in Kotlin?

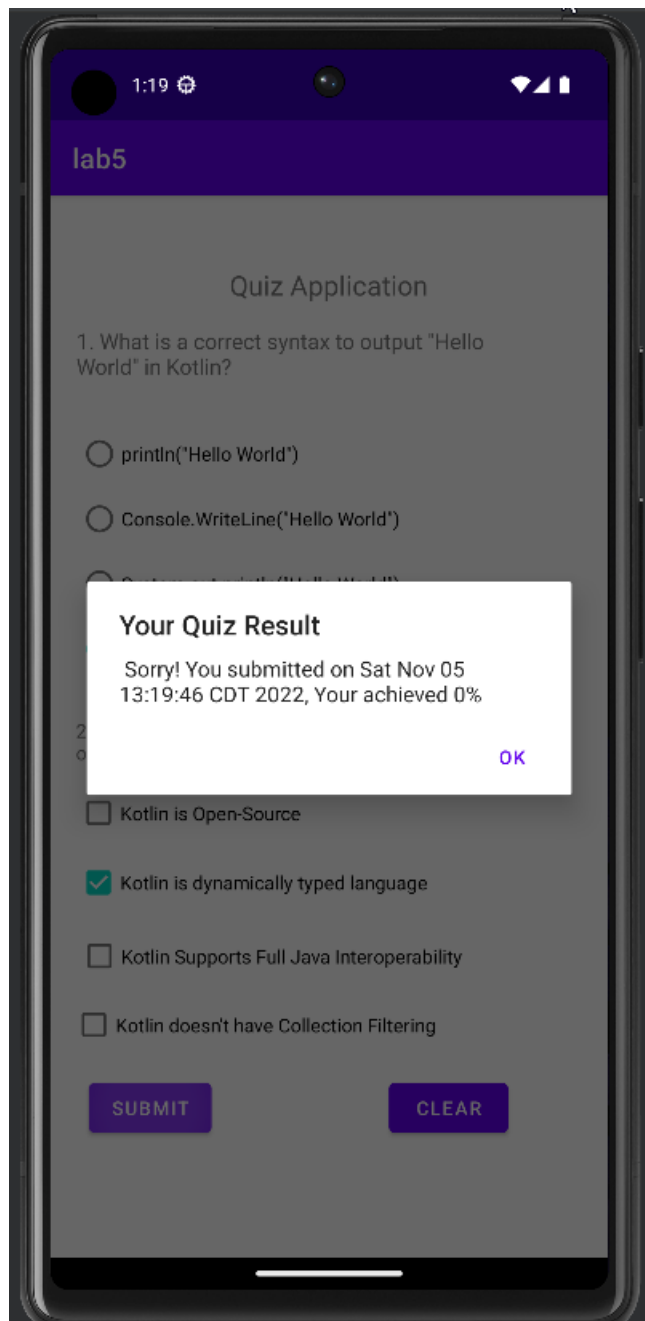

- ☐ println("Hello World")
- ☐ Console.WriteLine("Hello World")
- ☐ System.out.println("Hello World")
- ☐ echo "Hello World"

2. Following are kotlin features? (Choose one or more options)

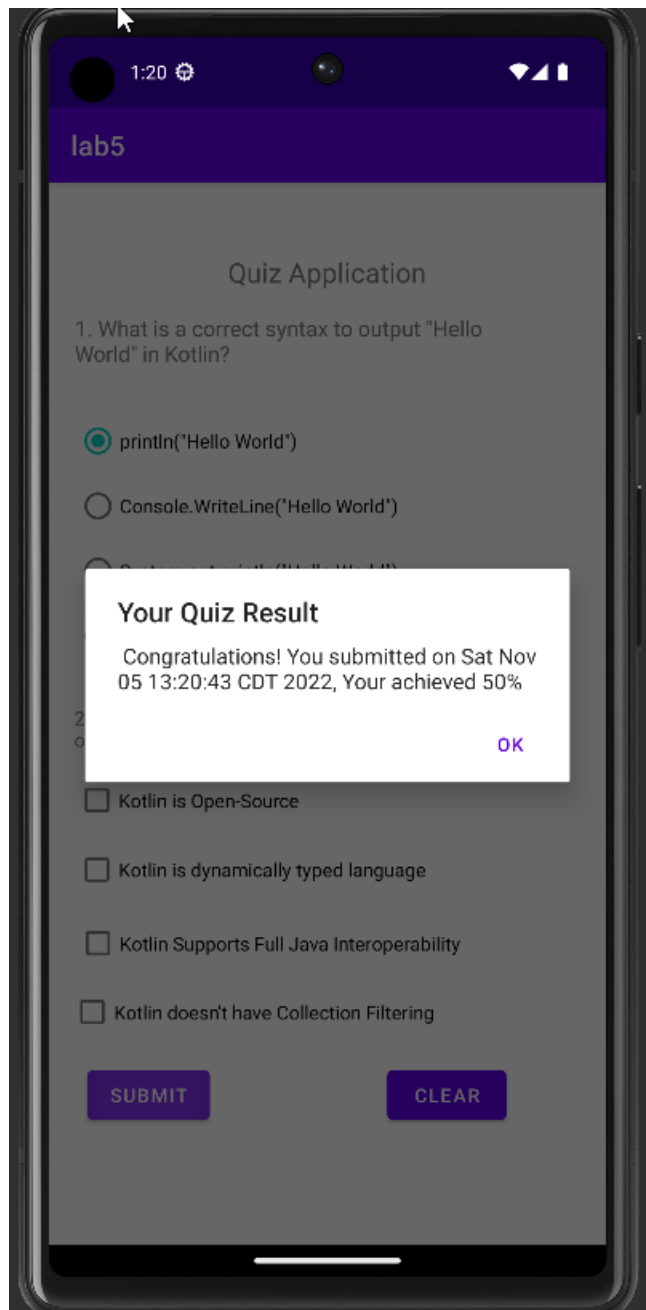

- ☐ Kotlin is Open-Source
- ☐ Kotlin is dynamically typed language
- ☐ Kotlin Supports Full Java Interoperability
- ☐ Kotlin doesn't have Collection Filtering

At the bottom, there are two purple buttons: 'SUBMIT' and 'CLEAR'.

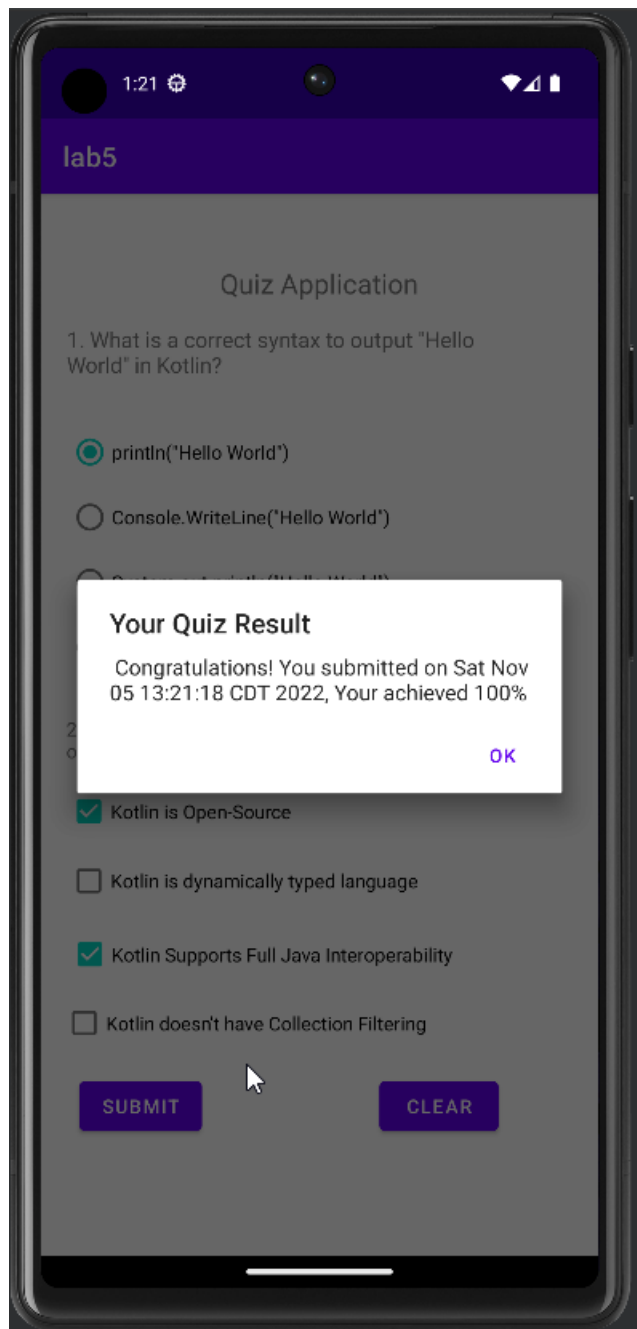

When both answer are incorrect

When one answer is correct

When both answers are correct

When clear button is clicked
